A BETTER TOMORROW

Music/Production by: Andy Kautz | Lyrics/Melody by: Elle Vee & Victoria Renée
Featuring: Victoria Renée Plummer

(Verse 1)

There'd be no sadness to cry
There'd be no selfish to lie
There'd be no reason for crime
There'd be no empty no why

(pre-chorus)

I see it when I close my eyes
Peace on earth and peace of mind

(Chorus)

Let it go
We have to restore this planets soul
Teach it something more than what we know give it water give it sun room to grow
We can build a better tomorrow

(Verse 2)

There'd be no nightmares only dreams
There'd be no evil people with angel wings
There'd be no war zones just simple things
There'd be more love than diamond rings

(pre-chorus)

I see it when I close my eyes
Peace on earth and peace of mind

(Chorus)

Let it go
We have to restore this planets soul
Teach it something more than what we know give it water give it sun room to grow
I can see a better tomorrow

(Bridge)

We share this place, we all belong
Light the way
Til dark is gone
Walking away
Still means your strong
Rise above hope isn't gone
